## President's Report

### **Dear Members of the Indian Football family,**

It gives me great pleasure to present below the highlights of the major activities and achievements of another very productive year for the All India Football Federation. While our focus continued to remain on grassroots and youth development I am extremely pleased that our top level leagues the Hero India Super League and Hero I-League attracted good spectators and TV ratings. In fact the Hero India Super League became the 4<sup>th</sup> most watched league of the world. We also successfully implemented two mega events i.e AFC Awards 2015 and the 5<sup>th</sup> AFC Sports Medicine Conference in New Delhi recently. Delegates from 47 AFC Member Associations, other Confederations and eminent speakers and sports scientists attended the events. The AFC has expressed its gratitude and appreciation for the great Indian hospitality and the professional manner in which both events were implemented. I would like to thank all the staff of AIFF, Committee members and others who worked tirelessly for the success of the events which has significantly enhanced India's stature and reputation in the Asian football fraternity.

The South Asian region has entrusted me with a great responsibility by nominating me as the Vice President of AFC from the region and I thank them for their support and assure them that I will do my best for development of football in the region.

### **AIFF Strategic Plan 2014-2017**

The AIFF continues to focus on the strategic plan. A key strategic objective is to help the State Associations to improve their operational efficiencies and build capacity so that they can contribute significantly to the development of Indian football. I am very happy that this process has now been initiated for 4 State Associations and we have appointed Technical and Marketing and Operational personnel.

### **Hero Indian Super League, Hero I-League and other Competitions**

As I mentioned earlier, the first edition of Hero Indian Super League was a big success and the 2<sup>nd</sup> edition is nearing completion and has been able to attract even better crowds and television rating. However it was extremely pleasing to see the increase in spectator support as well as television rating for the Hero I-League. The last and deciding match of the league between McDowell Mohun Bagan and Bengaluru FC was watched by nearly a full house and the television ratings for the match was very good. The reception which McDowell Mohun Bagan got in Kolkata for their maiden I-League triumph was to be seen to be believed. My heartiest congratulations to McDowell Mohun Bagan for bringing the I-League trophy to the Mecca of Indian football.

This was exactly our endeavour to bring in visibility and excitement at the top of the football pyramid and I am glad that so far our expectations have been exceeded and we hope we are able to sustain the same level of interest and excitement in future. I would like to take this opportunity to thank the clubs, our partners IMG Reliance, Star, Ten Sports the title sponsor Hero Motor Corp as well as all other sponsors for their efforts of promoting, marketing and implementing the leagues to the highest standards. The AIFF has also ensured that the league rules are fair and imbibe best practices and all disciplinary matters are dealt with swiftly and in a fair and transparent manner.

While I do realise that there are calendar issues with running two top leagues all the stakeholders are working together to find the best solution for the benefit of Indian football.

This season we have revamped the 2<sup>nd</sup> Division I-League on a home and away basis format and have also introduced a new under 15 Youth League for I-League clubs, academies and SAI youth teams. The response has been excellent and there are 40 teams participating in the youth league. This is in line with our overall youth development strategy.

I would also like to congratulate the winners of other national competitions including the Federation Cup.

### **National Teams**

While the recent performances of the Senior National Team has been disappointing, we will make all endeavours to ensure we perform better for the play offs of the Asian Cup 2019 and are able to qualify.

We also will be hosting the SAFF Suzuki Cup 2015 in Trivandrum from 23<sup>rd</sup> December 2015 to 3<sup>rd</sup> January 2016 and I expect a very good performance from the national team.

I would like to congratulate the U-15 national team for qualifying for the AFC U-16 Championship to be held in Goa in September 2016. Even though as hosts we qualify automatically, the team under Nicolai Adam put in a very good performance to beat higher ranked teams like Bahrain and Lebanon comprehensively 5-0 and 6-0 respectively.

### **FIFA Under 17 World Cup 2017**

I am happy to inform that the work at the venues of the FIFA U-17 World cup 2017 is progressing as per plan under the guidance of the Tournament Director Javier Ceppi. We have had regular meetings with the Sports Ministry and the venue authorities to ensure that deadlines will be adhered to.

I am also glad to mention that preparations for a competitive U-17 national team for the FIFA U-17 World Cup has started in right earnest. The team went for a 54 day exposure trip to Germany where they performed very creditably against the German teams including Bundesliga teams. They also went to Spain and performed very competitively. The win percentage for both the tours was over 50 percent. This is the same team which qualified for AFC U-16 Championship as mentioned above.

We are in the process of scouting for even better players under the guidance of our coach Nicolai Adam and have planned a number of exposure trips to Europe, Asia and Brazil in the next one year.

### **Acknowledgements**

I take this opportunity to acknowledge the contribution of our commercial partner IMG Reliance as well Football Sports Development Private Ltd which is a joint venture between IMG Reliance and Star for the development of Indian football. I would also like to thank Hero Motor Corp for the title sponsorship of the Hero ISL and the Hero I-League and Ten Sports for becoming the official broadcaster of the I-League as well as Coca Cola for sponsoring the U-16 schools and national tournament. I would like to acknowledge the support of Nike as the kit sponsor of the national teams

The help and support we get from FIFA, AFC and the Ministry of Youth Affairs and Sports goes a long way in our endeavour to develop and take Indian football to the next level.

I would be failing in my duty if I do not acknowledge the continuing support and contribution of the State Associations and the Clubs (I-League and Indian Super League) and last but not the least the support from the Executive Committee members, Standing and Judicial Committee members and the highly professional and motivated staff at AIFF Secretariat.

Wish you all a Happy New Year.

With Warm Personal Regards

Praful Patel

Further, the scouting team will definitely look for talents in Services and Railways. The representative from RSPB also mentioned that players who are participating in I-League should be allowed to participate in the Santosh Trophy tournament. **“RESOLVED that the Strategic Budget of the All India Football Federation for FY 2014-15 to FY 2017-18 be and is hereby approved.”**

**12. Discussion on proposal submitted by the members and Executive Committee members:**

**a) Sikkim FA :**

The representative from Sikkim FA told that the AIFF Academy is recruiting boys from the State but dropping some of them in the middle of the school session. This is creating a lot of problems for them in getting admission in school and hampering their education. The General Secretary asked the Academy Director Mr. Scott O'Donnel to explain on the issue. Mr. Scott told that when the boys are recruited for the Academy it was made amply clear to their parents that there is no guarantee that the boys recruited will remain for the full term.

Mr. Souter Vaz, Hony. Secretary of WIFA also mentioned that there was a similar case where a boy was discharged from the Academy in the middle of the session. Mr. Scott explained that the quality of the U-17 World Cup can't be compromised and we have to drop boys whenever we think the standard of the boys are not up to the mark. In this instant case the parents of the boy chose to continue the schooling in Goa and as the same is under the open schooling system there shouldn't have been any problem. However, we can't accommodate the boys in the Academy only for schooling purpose. Mr. Souter Vaz said he was not questioning the policy of discharging the boys if they were not found suitable, he was only making a request that the timing of dropping the boys from the academy should be such that their education does not suffer.

The member from SSCB offered to accommodate the 4 boys in the Services School which was greeted by all the Members.

**b) Then Mr. Elvis Gomes, President of GFA mentioned that some of the I-League clubs are not going through GFA for organization of I-League matches. He wanted to know if there were any rules framed by AIFF for organization of I-League matches. Mr. Diengdog of Meghalaya FA also echoed the same feeling whereby in Meghalaya one I-League club is organizing the matches through State Association while the other is doing so on its own. He also wanted to know who is responsible for payment and accommodation of match officials. The General Secretary told the Members that as far as organization of I-League match is concerned, the Tournament Regulations are very clear. In terms of which the organization of home matches is the responsibility of the home club. However, some clubs are doing the same through their respective State associations.**

Mr. Elvis also proposed to streamline the AIFF calendar to which the President mentioned that this year due to the Indian Super League (ISL) the Calendar had to be re-scheduled but going forward it should be streamlined.

Mr. Elvis Gomes further pointed out that in Coca Cola Cup at District level, what the State associations get for organization of matches is pittance in comparison to the number of teams that participate in the tournament. The General Secretary explained that Coca Cola pays a certain amount of money through IMGR for district level matches and within that amount we have to organize the matches. The President further added that AIFF and State Associations are partners for football development and with limited resources we have to organize the tournament. However, AIFF may consider putting in additional money in the next year.

Mr. Elvis Gomes also pointed out that number of instructors from India for AFC C, B License Courses are very few and requested AIFF to increase the number of instructors. General Secretary asked Mr. Scott, Director of Coaching to speak on the matter. Mr. Scott explained that AIFF is making all efforts to increase instructors at all levels of coaching courses.

Mr. Kushal Das, General Secretary told the meeting that due to division of Andhra Pradesh into two states the matter needs to be discussed with the respective state associations. He requested Mr. Palguna, Hony. Secretary of APFA to speak on the matter. Mr. Palguna explained that they are organizing all league matches in the state. He further added that in the last AGM of APFA held on May 25, 2014, a resolution was passed to create two State FA's. AIFF has also formed a 3 member committee on the matter. The President mentioned that a decision will be taken appropriately based on the report of the committee.

Mr. L. Ranjit Roy stated that in the last AGM, Mizoram FA had submitted the proposal for consideration of an Artificial Turf Football Ground at Imphal laid under FIFA's Win in India with India project, which needs to have the minimum requirements for an International football ground, pending the construction of a stadium by the State Govt. He mentioned that the CM of Manipur has assured to help but nothing has been done till date. He requested AIFF for a one-time grant for this purpose.

Mr. David of Tamilnadu FA suggested having a meeting of State Associations for all 8 centers of ISL, AIFF, IMGR & Star to discuss the merit, demerit and scope of improvement of ISL so that the same can be implemented in next editions.

Mr. B. L. Diengdoh delegate from Meghalaya F.A. wanted to know on behalf of all 7 NE States, why Railways is included in NE Zone in Santosh Trophy tournament. The President explained that next time the placement of Services and Railways will be decided by draw of lots.

Mr. Anil Kumar of Kerala FA stated that they are facing problem in registering players through Central Registration System (CRS). He mentioned that Kerala has got large number of players and require help from the AIFF. The General Secretary said that the CRS is a user friendly platform and our CRS Manager had gone to all States to give training on CRS. He emphasized that it is very important to implement the CRS and all necessary help will be provided by AIFF.

Mr. Brahma of Assam FA wanted to know the role of State associations in ISL. The General Secretary explained that the role of State FA has to be agreed between the Club and However, he added, that this is the 1<sup>st</sup> edition of ISL and next year there will be discussions between the clubs and the State Association to outline roles and responsibilities.

### **13. Appointment of Auditors:**

The General Secretary Mr. Kushal Das informed the meeting that M/S BSR & Co., Chartered Accountants were appointed as Auditors in the last AGM till the start of the next AGM. The Finance Committee & the Executive Committee have recommended their reappointment for another year. He further added that they have asked for an increase of their remuneration very late and due to paucity of time this couldn't be decided by the Finance or Executive Committee. He then requested the members to consider and if thought fit, to pass with or without modification, if any, the following resolution. After discussion, the following resolution was passed unanimously:

**“RESOLVED THAT M/S BSR & CO., Chartered Accountants be and are hereby appointed as the Auditors of the All India Football Federation till the next AGM for a remuneration and out of pocket expenses, if any, as may be decided and fixed by the Finance Committee.”**

### **14) Appointment of Treasurer:**

The General Secretary briefed the meeting that election is due for the post of Treasurer and one vacant post of Executive Committee member from South Zone. He then requested the returning officer Mr. Mohd. Mushtaque Ahmad to brief the meeting about the procedure for the same.

The Presiding Officer told the meeting about the procedure and stated that for the post of Treasurer there was only one valid nomination of Mr. Z .A. Thakur received and for the post of Executive Committee member also, only one valid nomination of Mr. J. Jesiah Villavarayar was received. He declared that both the candidates were elected unopposed.

The President congratulated both on their election and welcomed them to take their seats.

### **15. Any other matter:**

The President requested Mr. Hardev Jadeja the outgoing Treasurer to say few words.

Mr. Jadeja thanked all the members, colleagues and friends for the support and goodwill which he received during his 35 years of association with the AIFF. In an emotional speech he spoke of the wonderful time he had with the AIFF and the great work which is being done by the Federation inspite of some problems and limited resources. He said that he would always welcome any member of the AIFF family to his house. He concluded by wishing everyone a Merry Christmas and a Happy New Year.

Vote of Thanks to the Chair:

There being no other business to transact the meeting ended with a vote of thanks to the chair.

## **Annexure (President's Address)**

The President welcomed the Members, Executive Committee members, representatives of FIFA & others.

He thanked the Member Associations & other stake holders for the team work and support for building this beautiful game and said that some very good steps have been taken but a lot more needs to be done. He further mentioned that in the last few years there is a change in approach to work not only holistically but scientifically and professionally. The World wants India to make progress in Football. Development of Football in India is a big challenge considering the size, diversity and population of the country and limited resources. We are keeping the momentum going with the support from IMGR, FIFA, AFC, SAI etc. We are trying to build up the game from grassroots which will benefit Indian Football in the long run.

He further added that the organization rights for U-17 World Cup in 2017 was bagged by India after a lot of hard work including getting the sovereign guarantees from the Government of India.

He informed the members that the AIFF is placing a strong emphasis on Coach Education, Referee Development and Grassroots and Youth Development programs to take the game forward, the result of which can be seen in the next 10 to 15 years. The Scouting program will be broad based gradually throughout the country for our Academies. He also mentioned that AIFF was very committed to develop Women's football and was actively contemplating starting a Women's National League in future.

He further mentioned that while some States were doing well many were lacking in resources and development. We are planning for State Licensing in the line with club licensing so that a similar effort can be made to improve football in all the States. In this regard we are seeking the help of FIFA. We are planning to bid for Club World Cup in India, may be after the U-17 World Cup in 2017.

He added our game should attract viewers and money and ISL is a right step towards this end. This has brought in attention and improve the infrastructure. In ISL 1<sup>st</sup> edition, 42 crores people watched the matches on TV and the average attendance per match was approx. 25,000 till the semi final. He stated that he was extremely pleased with the way the AIFF Secretariat led by Mr. Kushal Das, General Secretary is working as a professional unit for the development of the Game.

To conclude, the President thanked FIFA, AFC, SAI, Ministry of Youth Affairs and Sports, IMG Reliance and other sponsors for their wonderful and continuing support. He thanked the EXCO members for their support and contribution. He specially thanked the outgoing Treasurer Mr. Hardev Jadeja for his contribution to AIFF and football for the last 35 years.

With these words the President convened the meeting.

## Activity Report of Integrity Department

In our commitment towards integrity in sports the AIFF follows the policy of Zero tolerance towards corruption in game of football. The AIFF Integrity department prepared Integrity Action Plan, Anti-Corruption Regulation and guidelines, which was approved by FIFA. It is being effectively followed in all the matches sanctioned by AIFF. Educational presentations were given before players of I-League, ISL Clubs and match officials, referees etc to sensitize them about the importance of Integrity in game and measures to insulate them from match manipulators and dubious persons involved in betting market. Publicity materials like Mini booklet and posters was published and distributed among players and clubs.

An INTEGRITY Workshop was held at AIFF Hqr on June 16th, 2015 where-in representatives of I-League and ISL clubs attended. The keynote lecture was given by Mr Ralf Mutschke, FIFA Director Security, Zurich. Mr Jacek Wojdyla, Head of International affairs and Mr Jonas Pfandler, Manager Competition Analysis, of Early Warning System, Zurich also apprised the participants about dimensions of match manipulations and measures to save our game. The General Secretary AIFF Mr Kushal Das also emphasized about policy of Zero tolerance towards corruption and AIFF's commitment towards integrity in football. The integrity workshop was highly appreciated world over and reported in the Interpol's 1st Weekly Media Recap under the head "Good practices" (reproduced as under)

### "GOOD PRACTICE

#### India

The All India Football Federation (AIFF) conducted the first ever FIFA "Integrity Workshop" at the its headquarters here in Dwarka on Tuesday. The workshop, which was aimed at introducing the Indian footballing fraternity to manipulations in the game, also discussed solutions to the problem. It was attended by all the eight Indian Super League (ISL) franchises and nine I-league clubs. The workshop was conducted by FIFA's director of security Ralf Mutschke, head of international affairs Jacek Wojdyla and manager competition analysis Jonas Pfandler. Speaking on the occasion, Mutschke said: "Match fixing is a serious issue in Football and together in coordination with each other, we have to defeat that." "FIFA cannot wage the war against match fixing alone and hence, we need the Federation's support to prevent it," he added. The workshop will act as a frontrunner of solutions to the problems of manipulative entities and manipulation in the game. Kushal Das, AIFF general secretary, said the "workshop made us ready to tackle" the menace of match-fixing and other forms of manipulation. "This Workshop is an important aspect of the Footballing education as it teaches us how to combat manipulative entities in the sport while making us ready to tackle the problem, as and when it arrives," he said. To combat match-fixing and manipulations, the AIFF appointed Javed Siraj as its integrity officer in August last year. "We have prepared an Integrity Action Plan of AIFF whose guidelines are being followed by all the Clubs. An Integrity network is also created to keep the manipulation in the game in check by declaring the Team Manager as Nodal Officer for Integrity," Siraj said. Points are allotted for fulfilling various sub-criteria like licensed coaches, age-group teams, training plan, training curriculum etc.

The total points for all the sub criteria are added and a star gradation is made for each score attained. An accredited academy can be classified under 4 star categories: 1, 2, 3 and 4 star.

A total of 60 academies have applied for Academy Accreditation that also includes various clubs and are currently in the process of assessment. The Academy Accreditation will also serve as a qualification criteria for the U-15/18 I-League from 2015.

## FIFA U-17 World Cup Scouting

AIFF conducted a region wide scouting for selection of players born in 2000 for the AIFF U-15 Academy at Goa in preparation of the FIFA U-17 World Cup to be held in the country in 2017. The scouting was headed by Nicolai Adam, Head Coach of AIFF U-15 Academy, who visited around 10 states for finding top talents to be drafted into the AIFF Academy. The states visited for the process are Kerala, Jharkhand, West Bengal, Sikkim, Assam, Meghalaya, Manipur, Mizoram, Punjab and Maharashtra.

A second round of scouting will be held all over the country starting from October till the end of the year. On this occasion, the process has been divided into 3 stages.

**Stage - 1:** The first stage will involve the State Associations selecting a maximum of 33 players strictly as per the player criteria sent in the earlier correspondences. If the State cannot find 33 talents for Stage 2, then they can select less. AIFF will have its own Regional scouts deployed in each of the states where they will be scouting talents by themselves. Players selected by these scouts will be joining the 33 players selected by the state for Stage-2.

**Stage - 2:** For Stage-2, the state is supposed to organise a venue for players selected by the States and Regional scouts to have the second stage of trials. The 2nd stage will involve AIFF Academy coaches visit each of these venues on the dates as given by the coaches. Coaches will select the best talents with the help of State and Regional scouts for Stage-3.

**Stage - 3:** The best players selected in Stage-2 from each of the states visited by the Academy coaches will be asked to report to a chosen centre by AIFF that will cover 3-4 states in each zone. So for example, players selected from Gujarat, Rajasthan, Madhya Pradesh and Maharashtra will be asked to report to a chosen venue from one of these states for Stage-3. Stage-3 will involve Nicolai Adam, the Head Coach of U-15 National Team travel to each of these centres from each zone where he'll make the final selections. The players selected will be asked to report to the AIFF Academy at Goa for final trials and medical tests.

## AIFF GRASSROOTS DEVELOPMENT PROGRAM

### Vision:

To mobilize the country towards a new football culture and provide opportunity for all children in India to experience and learn football.

### Mission:

To ensure widespread participation in football (with a focus on small-sided games) for children (boys and girls) in the age group of 6-12 years and implement a common fun-filled experiential method of coaching at the Grassroots across India.

### Program Overview:

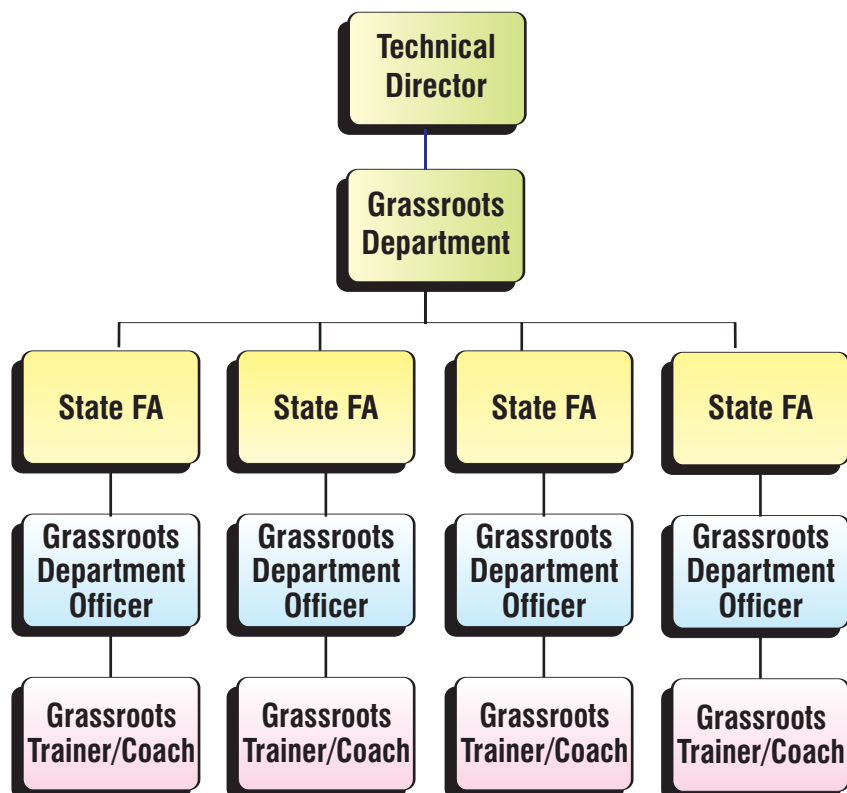

The AIFF Grassroots (GR) Program is primarily driven through the State Associations and is designed to include all stakeholders in Grassroots Football such as Clubs, Academies (amateur and professional), Schools, and Communities etc.

Our State Associations have shown excellent commitment towards the implementation of Grassroots Programs by following the tailor made Strategic Plan prepared by the AIFF.

In addition to our existing Grassroots Programs, this year we have expanded the program to 11 States in line with AIFF/AFC Grassroots philosophy and AIFF's Strategic Plan 2015. We have successfully conducted a significant number of activities with the immense support of Grassroots Leaders, State Associations, Organizations, and Clubs etc.

Tailor made strategic plans have been formulated by the AIFF for all the 11 selected States in consultation with the State FA's according to the socio - cultural environments prevailing at those States so as to gain maximum benefit of the plan up on successful implementation. As per each State Association's Annual Plan for the year 2015, programs are being implemented whereby the goals will be fulfilled by December 2015.

### AIFF Grassroots Department Structure:

## GRASSROOTS PROGRAM IMPLEMENTATION:

### i. AIFF Grassroots Strategic Plan:

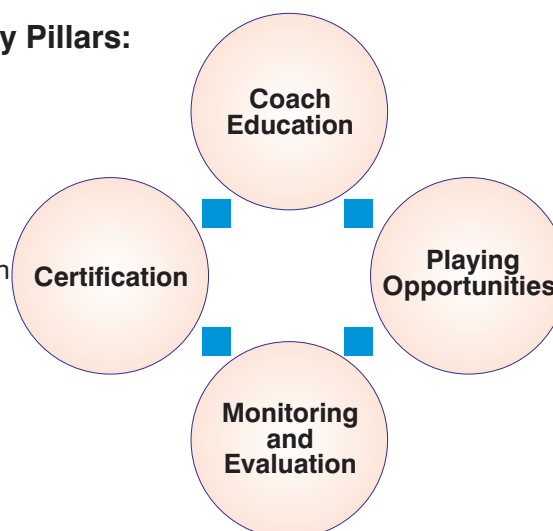

### i. AIFF Grassroots Strategic Plan:

### ii. AIFF Grassroots Development Program Key Pillars:

#### A) Coach Education (Grassroots Leaders Course for Coaches):

Coach Education plays a very important role in Grassroots Development.

AIFF Grassroots Course is a three day course which is in line with the FIFA Grassroots Course. The course consists of theory and practical sessions which equip coaches with the philosophy, implementation and organization of Grassroots Football. The Grassroots Course covers coaching kids from the age group of 6 to 12 years over three days and the course ends with a Grassroots Football Festival.

#### B) Playing Opportunities (Grassroots Training Centres):

It is of paramount importance to create maximum playing opportunities for kids between the age group of 6 to 12 years which nurtures talent in Grassroots level in the respective States.

For this, State Associations have started Grassroots Training Centers under the aegis of respective State Association's in line with AIFF's Grassroots philosophy wherein kids get a chance to play and improve themselves regularly. The involvement of Grassroots Leaders/Coaches in the Grassroots Development Programs of the State Associations is ensured for better productivity in the State.

### **C) Monitoring and Evaluation Mechanism (M&E):**

Monitoring and Evaluation are the key pillars of the AIFF Grassroots Development Program required for viable implementation of the designed programs. M&E is the process to measure our Grassroots Programs qualitatively so as to modify the same appropriately when needed to ensure that the objectives are achieved. This will further ensure higher standards in implementation of the programs.

After introducing Grassroots program in the States, AIFF helps to implement M&E mechanism so that the quality of the programs is set at higher standards.

### **D) Grassroots Centre Certification:**

Once the program is implemented in line with the AIFF Grassroots philosophy, State Associations apply for the Grassroots Centres Certification to AIFF which, after inspection, will be recognized under AIFF Grassroots Certification Criteria.

It is important that the Grassroots Centres operate within the specific standards set forth by the AIFF which is assessed, monitored and supported periodically by the AIFF for the development of Grassroots Football.

#### **iii. State Association's Grassroots Development Plan:**

As per AIFF's Strategic Plan, each State Association has created their customized Annual and Long Term Development Plan with the help of AIFF's expertise.

The Plan mainly focuses on AIFF Grassroots Program's key pillars and is being implemented through the State.

#### **iv. Child Protection Policy:**

AIFF is one of the few Sports Federations in India to adopt a Child Protection Policy (CPP).

Child Protection Policy is basically designed to protect and provide children with a safe playing environment and safeguarding them from physical, verbal and sexual abuse.

Comprehensive CPP is adopted by the AIFF, including all activities of the Federation which involve children Under 18 years of age. In line with AIFF procedures, the State Associations have now started adopting a customized CPP's of their own catering to their specific needs, including basic minimum requirements given by the AIFF.

All coaches, administrators, Committee members are included in the scope of the CPP.
