

Ref No. – AIFF/PSD/2022/179

**TO THE CLUB, ACADEMIES, MEMBER ASSOCIATIONS AND AFFILIATED UNITS
OF ALL INDIA FOOTBALL FEDERATION**

8 June 2022

**Subject – New Centralised Registration System (CRS) Transfer System and Inclusion of
Training Compensation and Solidarity Contribution in the CRS.**

Dear Sir or Madam,

We are pleased to inform you that the All India Football Federation (AIFF) is upgrading and reforming the transfer system in the CRS in line with the FIFA Global transfer system. The objective behind upgrading the CRS transfer system is to be more professional and compliant with the global transfer system and to increase transparency among the stakeholders.

Please note that the new CRS transfer system will be live from 10:00 AM on 9 June 2022 (Thursday).

One of the major changes also include the introduction of automated calculation of training compensation (TC) and solidarity contribution (SC) in the transfer window while transferring a player over the CRS. Further, to keep a track of payments to be paid and received for the TC and SC, the AIFF has introduced a TC and SC tab in the CRS wherein the clubs will be able to see the TC and SC to be paid and received by them.

It is pertinent to mention that the automated calculation of TC & SC is at the introductory phase and largely based on the technology, having a lot of variables such as player career history and other factors therefore, as of now, is strictly for reference and to be used as secondary source. The AIFF shall not be responsible for any inadvertent error in calculation, it is the responsibility of the clubs to calculate the TC & SC manually as per the core principles outlined in the AIFF Regulations on the Status and Transfer of Players, 2021

To help the clubs/academies on the working of the new CRS transfer system, we are releasing the following manuals (attached herewith) detailing the steps involved in the new CRS transfer system:

- i. CRS transfer manual for transfer of players as professional to professional on permanent and loan basis from one club to another.
- ii. CRS transfer manual for transfer of players as professional to amateur from one club to another.
- iii. CRS transfer manual for transfer of players as amateur to amateur from one club to another.
- iv. CRS transfer manual for transfer of players as amateur to professional from one club to another.
- v. CRS transfer manual for Training Compensation and Solidarity Contribution.

We are hopeful of your support in adopting the new CRS transfer system seamlessly. We request you to kindly study this correspondence and attachments carefully and to inform your affiliated Clubs, players and all other persons concerned accordingly.

In case of any queries regarding the CRS transfer system, feel free to write us on registrations@the-aiff.com & psd@the-aiff.com.

We thank you for taking note of the above.

Kind Regards,

Sankalp Pujari

Director - Players' Status and Registration Department
