**Subject –List of Competitions under Article 4 of Annexe 4 of the AIFF Regulations on the Status
and Transfer of Players, 2021 (AIFF RSTP, 2021)**

Dear Sir or Madam,

We refer to Article 4.2 of Annexe 4 of the AIFF RSTP, 2021 (old version) which states that AIFF
from time to time will publish the list of such competitions which will fall under the categories
mentioned above.

- i. For the season 2022-23, **Category I** will be clubs participating in **Indian Super League (ISL)** and **Category II** will be the clubs participating in **Hero I-league**.
- ii. For the season 2022-23, clubs that have participated in **Hero 2nd Division League** will be considered as **Category III clubs** under Annexe 4.
- iii. For the season 2022-23, the clubs participating in the following list of competitions will fall under **Category IV**, the list is published and enclosed with this correspondence for your reference and kind perusal.

Kindly note, in case any club already falls under any of the three categories i.e., category I, II, and III and the same club also falls under category IV, then for the purpose of Training Compensation, the concerned club will fall under the higher category.

For your further information, as per the recent amendments of AIFF RSTP, 2023 (new version), Season 2023-24 onwards all the clubs registered on AIFF CRS and are not falling under Category I, II, and III will fall under Category IV for calculation of Training Compensation. This step has been taken by AIFF to ensure that all the academies and clubs are benefitted from the provision of Training Compensation.

We request you to kindly study this correspondence carefully and to inform your affiliated Clubs, players, and all other concerned persons accordingly.

We thank you for taking note of the above.

Kind Regards,

Shaji Prabhakaran

Secretary General, AIFF

CC: Clubs registered on AIFF CRS.
