- 15.4. If the suspension is to be served in terms of Matches, only those Matches actually played count towards execution of the suspension. If a Match is abandoned, cancelled or forfeited, the suspension is only considered to have been served if the team to which the suspended individual belongs is not responsible for the facts that led to the abandonment, cancellation or forfeit of the Match.
- 15.5. If a suspension is combined with a fine, the suspension may be prolonged until the fine has been paid in full.
