

ALL INDIA FOOTBALL FEDERATION (AIFF)

ACADEMY ACCREDITATION 2024/25

Rules & Regulations

1. An integral part of AIFF's vision and mission is to improve playing standards and increase the possibility of success for participants at the top level of football. The development of aspiring young talents is at the core of these objectives, and the academy accreditation process introduced by AIFF is a step taken to strengthen and improve the youth development system in the country.
2. The AIFF, in close collaboration with its members – the various state football associations (hereafter referred to as SFAs), through this academy accreditation process grades the youth development structure of clubs and academies and offers them national recognition for the standards attained. Through the system, AIFF marks each club/academy that applies for accreditation on various criteria and gives a star rating based on the total points or marks received.
3. An academy/club is categorized under 2 separate heads:
 - (i) Residential
 - (ii) Non-Residential
4. Based on the categories, the criteria are set and the clubs/academies are requested to fulfil the same. Academies/clubs claiming to fulfil these criteria are required to upload necessary proof in form of official documents on the accreditation portal by a given deadline. After successful upload of all required documents by the prescribed deadline, the same will be assessed and reverted upon. The process will be followed by physical inspection at respective sites to verify the uploads. Points will then be allotted to each club/academy after inspection. The total points allotted will determine the eventual academy rating.
5. The following criteria are set for academy accreditation. **Criteria no. 1, 2, 3, 4, 6, 7, 8 & 9 are deemed mandatory and an academy/club applying for accreditation must secure minimum points separately for each of these criteria as indicated to pass the whole process.** An academy/club however cannot secure more than the maximum points indicated for each criterion. In case of compliance to a high degree with the concerned criterion, they'll only be allotted the maximum points for that category. Further, it is clarified that extra or

additional marks secured in one category may not be adjusted or used to bridge a gap in securing minimum points in any other category.

6. The supporting documents for each of the criterion must be submitted/uploaded on the AIFF accreditation portal for verification and then later be physically made available at the time of inspections.
7. Point allotment system per head: Points obtained [min (1) to max (6)] multiplied by Weightage. The Points Appendix for each criterion is given in the Appendix page at the end of the document.

Criteria 1.

7.1 Age-Group Teams: (Mandatory Criteria)

(Weightage = 2; Maximum points = 10; Minimum points required =8) – data from AIFF Centralised Registration System (CRS)

7.1.1 To pass the criteria:

- (i) The Academy/Club must have a minimum of Three age-groups in the youth category (U- 19 to U-13). However, academies are encouraged to have more than 3 (Three) age groups for more engagement and participation in AIFF and other affiliated tournaments. Between 3 (Three) age-groups, for evaluation purposes, the academy/club must not have a gap of less than 2 (two) years between successive age-groups. E.g. An academy/club cannot be evaluated on the basis of only an U-16, an U-17 and U-18 team; OR an U-14, U- 15 and U-16 team, in the absence of other age-group teams, as the gap is of less than 2 years between the teams in such cases.
- (ii) At least one Grassroot age-group (Below U-12) team (Minimum 10 Players). (Mandatory)
- (iii) The Academy/Club must have at least 20 registered players including 2 goalkeepers per operating age-group on AIFF CRS.
